## PARTING SONG

(To the tune of “Jesus Calls Us)

Heavenly Father, we beseech Thee

Grant thy blessings ere we part

Take us in thy care and keeping,

With thy love fill every heart.

Amen.

## OUR EMBLEM

The emblem of the United Church of Christ is based on the ancient Christian symbol known as the Cross of Victory or the Cross Triumphant.

Traditionally this symbol – the cross, surmounted by the crown and all of it atop the orb – signified the kingship of the Risen Christ over all the world. The orb, representing the world, is divided into three parts to signify the command of our Lord to His disciples. “You shall be my witness on Jerusalem and in all Judea and Samaria and to the ends of the earth.”

For the United Church of Christ, this emblem rich in the tradition of the past and alive with hope for the future, is particularly appropriate. For this reason, there appears on the perimeter of the emblem both the name of the church and the text:

**“THAT THEY MAY ALL BE ONE”**

## **GUILD COLORS – BLUE AND GOLD**

The blue signifies loyalty to our Lord, the church, to our faith and to each other.

The gold proclaims our common concern about higher values for which Christian women must constantly strive.
