Newsletter articles are due on March 16th for the April CR. You may:

From the Council President

Greetings to all,

Well it looks like spring is just around the corner.... And since Spring is the time for new beginnings, so it is with our church as well.

We have our new Search Committee starting this month. They have had their initial meeting and will be getting to work soon. The members are as follows:

Sherri Gregson (chair)
Joe Smith
Ron Harbison
Gwen Bosaw
Linda Grotefendt
Cindy Westfall

I hope that everyone has enjoyed listening to Pastor Harrison the past few Sundays. He has agreed to lead worship services through April and into May. We will revisit with him at that time to see if his schedule will allow for him to continue past that time. If you need any pastoral services, he is in the office generally on Mondays from 9:00 – 3:00.

The architect for our new building will be creating some initial plans and pictures of what our building might look like. We hope to have those completed by the April congregational meeting.

The congregational meeting will be on April 26th after church. Please plan on attending.

Thanks,
Eric Bosaw

Thank you

January 23, 2020

Dear Faith Partner and Supporter:

My apology for not writing to thank you for blessing our children, families and staff this past Christmas. You were unbelievable in your prayers, thoughtfulness and especially, sharing and giving.

We have heard so many "thank you" and "what a great surprise" and "who does this sort of thing". IF ONLY WE COULD RECORD.

I didn't write to thank you but asked the parents to do that for me and I am sharing the note or notes of thanks from them to you at this time. There may not be a lot of words, but I think you will feel the HEART. From staff and I, we thank you for all and everything you have done to make life better and happier for our children, families and community.

"Your gifts blessed our family."

Brenda Crisp, Executive Director and Staff, Kindercottage

Sending a huge Thank You to everyone for the gifts, visits, dinners, well wishes & prayers before, during and after my surgery. They must have worked because I feel much better and the doctor said I'm doing amazing. I feel so loved by each of you! I am ready to be back to normal and back to my routine.

I want to give a special thanks to my sister, Ruby, for letting me stay with her during my recovery time and helping in this process. And to my other sister Clara for visiting and spending time with me. And a special Thanks to Pastor Nancy for visiting me.

Sending my love to you all!!

"A Beautiful Day in the Neighborhood"

PG | 2019 | 1h 49m

Lloyd Vogel is tasked with creating a profile of Fred Rogers, the creator and star of the successful children's program Mister Rogers' Neighborhood. He dutifully goes to the studio where his subject is filming his show, and soon enough, he is sitting down with him, asking him probing questions. However, Fred seems to have a different plan in mind. The interviewee suddenly becomes the interviewer, and he starts to help the writer sent for him in unexpected ways.

SEW'CIAL OUTREACH

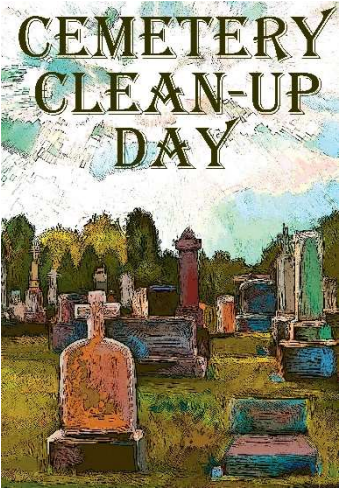

Heartland  Hospice Care

When we started this group, our focus was to help others through our love of sewing. In the past year, our group was able to provide two cancer facilities with chemo hats and port seatbelt pillows. We have also made fidget blankets that will be donated for patients in a memory care facility. Our group is not the only ones that sew as a mission. Over ten years ago, a volunteer from Anderson Hospital spoke to the Women's Guild regarding the need of lap pads and teddy bears for cancer patients. After this, a group of women from the Guild took the request to heart and made this need one of their top missions. When several of each is completed, they are taken to the Heartland Hospice Center in Fairview Heights. This facility works alongside with their sister facility in St. Louis. Working together, they can provide as many patients that they can with the comfort of items that have been donated. This year the 'Sew'cial Outreach group will help provide as many blankets as we can. We currently have some cotton material on hand that can be used by sewing together to make a 45"x 45" top which is the size that is needed. For the back of the blanket, fleece or flannel would be perfect. Using the fleece and flannel for the backs it will give warmth and is soft to the touch. It also eliminates the need of using batting between the layers. Since there isn't a pattern needed, each one can take on its own personality by the maker. They can be sewn or tied. If you would like to tie them, Gladys can show you how she does it. If anyone would like to donate material (1 ¼ yds) or monetary donations so supplies can be purchased, we would greatly appreciate it. All donations can be dropped in the quilting room.

As always, we thank you for all your support.

Diane and Sandy
